Activity Record

Name of activity	Adaptation	Rating	Notes
<i>Name or number of activity as it appears in the book. Add your own activities in here too.</i>	<i>Is there anything you have changed with the activity, which works better for your loved one?</i>	<i>This is for your child(ren) to score. How would they rate the activity?</i>	<i>A blank space for anything else you wish to add, such as the time of day best suited to this activity, and the date you first tried the activity out.</i>
